SK002	

NOTES:
 DO NOT SCALE this drawing (printed or electronic version). Contractors must check all dimensions from site.
 All other design team elements, where indicated, have been extracted from the consultant's drawings and reference should be made to the individual consultant's drawings for exact setting out, size and type of component.
 Dimensions and/or annotations shown in this drawing (printed or electronic version) may be reported incorrectly to be avoided for clarification before proceeding.
 All work shall be carried out in accordance with the latest British Standards and Codes of Practice unless specifically directed otherwise in the specification.
 Responsibility for the reproduction of this drawing in paper form, or if issued in electronic form, lies with the recipient to check that all information has been replicated in full and is correct when compared to the original paper or electronic drawing. If any discrepancies are identified in this drawing have been rectified, but the discrepancies only. This note is the responsibility and for details for actual size and/or specific contractor construction information.
